

New Baltimore Parks & Recreation

Job Posting: Athletic Field Maintenance Crew Member (part-time seasonal) April - August

Job Duties: Under the direction of the Recreation Director & Field Site Supervisor, the Athletic Field Maintenance Crew Member will be responsible for setting up youth baseball fields, soccer fields, football fields, etc.

This job will entail field preparation, cleaning of the facilities and moderate landscaping responsibilities, properly storing maintenance tools and supplies, chalking and dragging of baseball fields, painting of athletic field lines, and anything else required to prep and maintain our athletic fields.

The person to complete this job will receive between 10 – 16 hours/week.

Physical Requirements:

- Must be capable of lifting 50 lb. bags of field product
- Must be capable of bending down to lift large objects like pitching machines, maintenance tools, and garbage cans.
- Must be capable of completing a large amount of physical labor, when needed.

Qualifications:

- Must be at least 17 years of age.
- Must be able to work late afternoons/early evenings and possibly on some Saturdays if necessary.
- Must have great communication skills and willing to work in a team environment.
- Must be organized and capable of learning new skills quickly.

Wages: \$9.00-9.25/hour

Application Process: Visit the following website address and print the employment application.
